

Stainless steel shield for purity  
in every drop

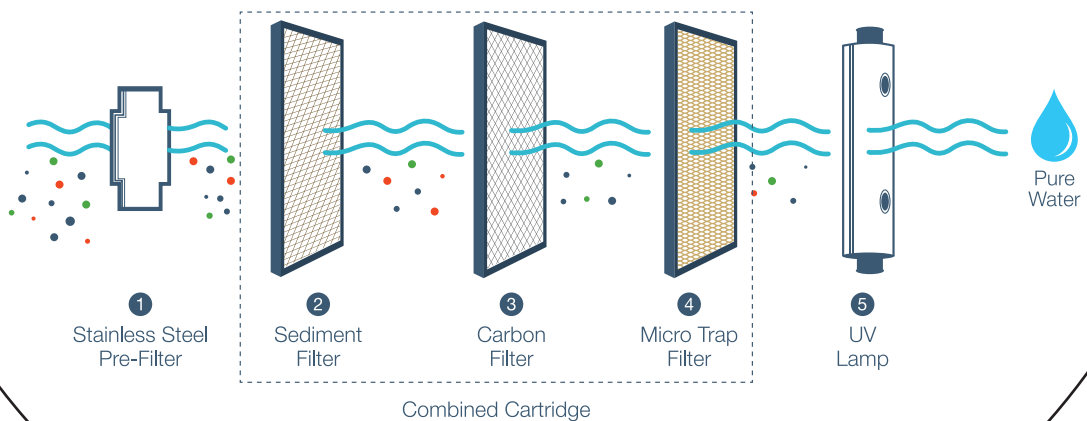

Pristina  
UV Water Purifier

## Pristina from Blue Star

Blue Star, India's leading air conditioning and commercial refrigeration company brings you Pristina, a sleek and stylish UV water purifier for your modern kitchen. Having quenched the thirst of billions with its range of water coolers and dispensers for over seven decades, Blue Star now introduces a water purifier which uses advanced UV technology with an ultra efficient stainless steel UV shield to give you pure and microbial safe water. Packed with features such as a smart microcontroller\*, in-built voltage stabiliser, 5 stage purification process, energy saving mode\* and low pressure application#, Pristina gives you purity in every drop.

### Precision pure process

## Feature-loaded

Advanced UV protection

5 stage purification

Ultra efficient SS UV shield

Smart microcontroller\*

Compact & stylish

UV change indicator\*

Maximum flow rate of 2 litres/min

In-built voltage stabiliser

UV fail alert

Filter change alert\*

UV life enhancer\*

Low pressure application#

Energy saving mode\*

Counter top or wall mount option

\*Available in Pristina | #Available in Pristina LP
